It is worth remembering that in some areas only one in ten applications is successful. So for thousands of children, securing a sought-after grammar school place rests on that all-important entrance exam.

We will be offering children the experience of simulated Grammar School exam conditions. With our own children we discovered that often children can become very uncomfortable with the prospect of sitting an examination in a room filled with strangers and this can frequently result in some distress or worry. By sitting a number of Mock Exams children are able to become familiar with the examination setting, therefore worry and distress are reduced.

With 11PLUSDIY your child will be tested against other children and you will be able to accurately judge how well their preparation is going compared with the other children intending to sit the 11 Plus exam. It has been proven that Mock Exams can provide an extremely accurate indication of the final exam positioning and multiple Mock Exams over time will allow a parent to track their child's progress.

With 11PLUSDIY, parents will receive a results report providing you with your child's score, percentage and placement out of the Mock Exam group for every test. Additionally parents will also receive additional notes detailing suggestions to aid your child in the forthcoming exams
