Non-verbal Reasoning Test 1 - Section 1

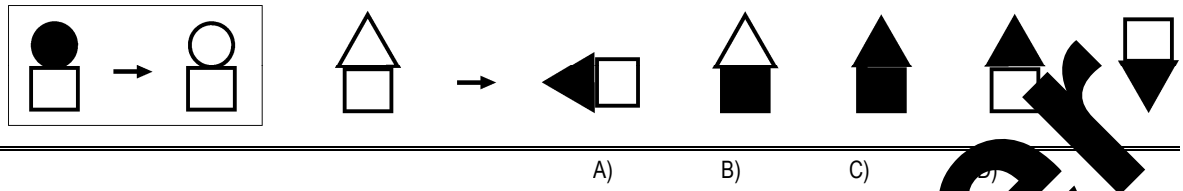

For each question below, look at the 2 shapes in the box on the left. Once you have decided how the first shape is related to the second one, have a look at the first shape outside the box. This is followed by an arrow and five other shapes. One of these five shapes is related to the shape before the arrow in the same way as the two shapes in the box are related to each other. Choose which one and mark it on the answer sheet.

This is an example. The answer is C

Non-verbal Reasoning Test 1 - Section 2

In the following questions, there are three or four shapes in boxes on the left and then a space followed by another shape in a box. Each box on the left has a pair of letters in it which are a code for the shape in that box. You need to work out the code that applies to the shapes on the left and then choose which pair of letters should be given to the shape on the right. There are 5 possible answers, but only one is correct and must be marked on the answer sheet.
