Paper Instructions

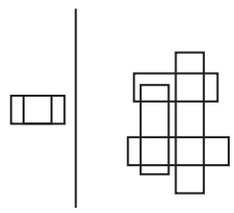

- This paper will test your child on elements of Spatial Reasoning **ONLY**.

- The paper contains a mixture of the different levels of difficulty of the KSOL online questions, so do not worry if your child cannot answer some of the harder questions.

- Please note this paper contains questions and answers only.
- For step-by-step explanations on how to approach 11+ questions, try our courses: www.ksol.co.uk/contents/11plus-preparation.

- Please allow your child **13 minutes** to complete this paper.

Child Instructions

- Please complete this exam paper using pencil only.
- Mark all of your answers on the separate answer sheet provided.
- If you cannot answer a question, do not panic, simply move on and return to it later.
- Rub out any errors on your answer sheet. Do not cross them out.
- **Ask an adult to time you for 13 minutes.**
- You must not talk during the test.
