Compound Words

Choose a word from the list on the left hand side and join it together with a word from the list on the right hand side, to form a new compound word.

For example, the words 'back' and 'ache' can go together to make 'backache'.

The word on the left hand side always begins the word.

Remember, you need to choose ONE word from EACH list - so TWO words in total. Mark the letters which go with your choices on the answer sheet.
